

Electronic Meeting

For the 2021 Court and General Meeting (each a "**meeting**"), Augean plc (the "**Company**") will be enabling shareholders (together with their duly appointed proxies and/or corporate representatives) to (i) attend and vote and (ii) submit questions and/or objections at the meeting electronically, should they wish to do so. This can be done by accessing the Lumi AGM website, <https://web.lumiagm.com>.

Accessing the AGM Website

The Lumi AGM website can be accessed online using most well-known internet browsers such as Edge, Chrome, Firefox, Safari on a PC, laptop or internet-enabled device such as a tablet or smartphone. If you wish to access the Lumi AGM website using this method, please go to <https://web.lumiagm.com> on the day of the meeting.

Logging In

On accessing the Lumi AGM website, you will be asked to enter a Meeting ID which is **189-384-012**. You will then be prompted to enter your unique SRN and PIN. Your SRN and PIN can be found on your form of proxy for the meeting. Access to the meeting via the website will be available from 10:00 a.m. on 9 September 2021; however, please note that your ability to vote will not be enabled until the Chair formally declares the poll open.

Broadcast

The meeting will be broadcast with presentation slides. Once logged in, and at the commencement of the meeting, you will be able to listen to the proceedings of the meeting on your device, as well as being able to see the slides of the meeting which will include the resolution to be put forward to the meeting, these slides will progress automatically as the meeting progresses.

Voting

Once the Chair has formally opened the meeting, they will explain the voting procedure. Voting will be enabled on the resolution at the start of the formal meeting on the Chair's instruction. Online voting will only be conducted within the Court Meeting.

Once the resolution has been proposed, the resolution will appear along with the voting options available. Select the option that corresponds with how you wish to vote, "FOR", "AGAINST" or, in the case of the General Meeting, "WITHHELD". Once you have selected your choice, the option will change colour and a confirmation message will appear to indicate your vote has been cast and received – there is no submit button. If you make a mistake or wish to change your vote, simply select the correct choice, if you wish to "cancel" your vote, select the "cancel" button. You will be able to do this at any time whilst the poll remains open and before the Chair announces its closure at the end of the meeting.

Questions

Shareholders attending electronically may ask questions either as text via the Lumi messaging function or verbally via the teleconference.

To ask a question verbally - details of how to access the teleconference will be provided on the day of the meeting once you are logged into the Lumi platform.

To ask a question in writing – select the messaging icon from within the navigation bar and type your question at the bottom of the screen, once finished, press the 'send' icon to the right of the message box to submit your question.

Questions will be moderated before being sent to the Chair. This is to avoid repetition and ensure the smooth running of the meeting. If multiple questions on the same topic are received, the Chair may choose to provide a single answer to address shareholder queries on the same topic.

Requirements

An active internet connection is required at all times in order to allow you to cast your vote when the poll opens, submit questions and listen to the audiocast. It is the user's responsibility to ensure you remain connected for the duration of the meeting.
