RELATIONSHIPS AND SERVICES

WHAT INVESTMENT SERVICES AND ADVICE CAN YOU PROVIDE ME?

We provide brokerage services to retail clients by serving as the sole placement agent for private funds sponsored by our affiliate, Fort Washington Investment Advisors, Inc. and its subsidiaries. (“Fort Washington”) Our investment authority is limited to making recommendations about a limited set of securities products including private funds sponsored by Fort Washington. Touchstone does not accept discretionary authority and will not provide ongoing monitoring of your brokerage accounts or investments. You have the ultimate decision making authority regarding the purchase or sale of your investments. Minimums for the private debt funds generally range from \$500,000 to \$1,000,000. The minimum for private equity funds is generally \$5 million. These minimums are negotiable. Other firms offer a wider range of choices, some of which have lower costs. More detailed information about the services we provide, which include the same or equivalent information, is provided in the Private Placement Memorandums and Subscription Agreements of each private fund, and Fort Washington’s [Form ADV Part 2A brochure](#). Please contact us for additional literature and/or information regarding the private funds.

Management fees for the private funds are collected by Fort Washington, and its wholly-owned subsidiaries, and are based on the amount that you invest. Fort Washington, as general partner or managing member of the private funds will be solely responsible for all fees and expenses of Touchstone and its associated persons related to the investment in membership interests of the private funds.

STANDARD OF CONDUCT/CONFLICTS OF INTEREST

WHAT ARE YOUR LEGAL OBLIGATIONS TO ME WHEN PROVIDING RECOMMENDATIONS? HOW ELSE DOES YOUR FIRM MAKE MONEY AND WHAT CONFLICTS OF INTEREST DO YOU HAVE?

When we provide you with a recommendation, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates a conflict of interest. You should understand and ask us about these conflicts because they can affect the recommendations we provide you. Here are some examples to help you understand what this means.

Conversation Starters:

How might your conflicts of interest affect me, and how will you address them?

Registered representatives receive commissions based on the sale of Fort Washington's private fund interests. This provides a financial incentive to recommend these investments. We only offer securities issued by our affiliates. In addition to the compensation received by our registered representatives when proprietary products are sold, our affiliated companies receive separate fees and compensation in their roles as product providers or investment managers. The sale of proprietary products increases revenue to our companies.

More detailed information about our conflicts of interests, which includes the same or equivalent information, is provided in the Private Placement Memorandums and Subscription Agreements, Fort Washington's [Form ADV Part 2A brochure](#), and Touchstone's [Regulation Best Interest Disclosure](#). Please contact us for additional literature and/or information regarding our Private Funds.

HOW DO YOUR FINANCIAL PROFESSIONALS MAKE MONEY?

Our financial professionals receive a fixed salary from Fort Washington for their investment activities. Some of our financial professionals receive commissions based on the sale of private fund interests based on the amount invested, which presents a conflict of interest. Commissions are paid directly from the management fees collected by Fort Washington.
